ArtStart's Camp Create for Teens is geared for youth who want to explore their imagination through a variety of art media, learn about the arts of a culture, and gain new skills in making art.

Designed to inspire creativity and gain insights about a specific culture, these classes encourage participants to think outside the box, see people and things with new eyes, and gain new art skills and techniques using different art media.

The theme of Camp Create 2023 is **Passport to Egypt and Turkey: Countries at a Cultural Crossroads.**

Camp Create includes 4 different arts experiences for the 4-day camp.

Scholarships available.

Mummy Magic & More

The practice of preserving a body as a mummy is widespread across the globe.

In ancient Egypt everyone except for criminals, was entitled to be embalmed and receive a decent burial. Join artist Jeanette Dickinson to uncover the secrets of mummification from canopic jars to sarcophagi. Then create your own mummy and sarcophagus!

From Pyramids to Obelisks

Learn about the Great Pyramids of Giza, built on the banks of the Nile River near Cairo, Egypt. As tombs for the Pharaohs, pyramids were filled with objects to accompany the ruler into the next world.

They were often flanked by obelisks. Work with artist Laurie Witzkowski to create your own pyramid and obelisk. What will be in your pyramid?

Crochet Turkish Style

Turkish crochet, called Oya and is a type of thread crochet that uses a small hook and specific types of stitches to create delicate designs. Work with artist Julie Boada to learn the basics of crochet. Then try your hand at Oya crocheting to create a piece of wearable art.

Yeşilçam: The Hollywood of Turkey

In the 1960's Turkey produced affordable movies so everyone in Turkey could see them. Known as Yeşilçam, many films featured super heroes like Super Man or Cat Woman. Work with Gustavo Boada to draw and colorize your own super hero story and adapt it as a crankie, a moving picture technique.
